FREE WORKSHOP

The Iowa Rural Water Association would like to invite you to join us and your peers for a FREE training workshop. Get valuable information you need from our expert trainers to maintain compliance with state regulations.

With a variety of topics, presentations and speakers our training meets the requirements of system specialists (operators), office staff management and decision makers.

Please visit our website and check out our other training opportunities under the events tab where you'll find details on dates, locations, speakers, topics and much more.

On-site technical assistance is available from the Iowa Rural Water Association at no cost.
